SNOWMOBILE “RULES OF THE ROAD”

(Advisory Only)

All Michigan Snowmobile laws apply in Paradise and are routinely enforced by state and county law enforcement officers.

M-123 is a state highway. It is illegal to ride on the plowed portion of state highways in Michigan.

Whitefish Point Road is a Chippewa County road. You may ride on the plowed portion of Chippewa County roads **ONLY when the unplowed portion is impassable**. Always ride single file, with the flow of traffic next to the snow bank and **do not pass vehicles**. The recommended speed limit on all County Roads is 30 MPH. Be aware of vehicles coming from hidden driveways, they have the right-of-way.

The “**Town Trail**” in Paradise is a groomed trail and runs from a quarter mile west of Paradise on the north side of M-123, changing to the west side of M-123 at the blinking light and continuing south 1.5 miles to the Birch Hill Trail. The “Town Trail” allows access to Paradise and businesses from the north and south. The “Town Trail” has two-way traffic and the speed limit is 15 MPH. Ordinance #060100. **You must yield to all driveway traffic**. Again, riding on the plowed portion of a State Highway is illegal, **please stay on the trail**.
